Whitehorn, this spacious bi-level home comes with awesome views—think Nose Hill Park, downtown Calgary, and even the mountains on a clear day. It's tucked away on a quiet street with greenspace out front and a pathway right across the street makes it a super easy walk or bike to nearby schools or other amenities of the community.

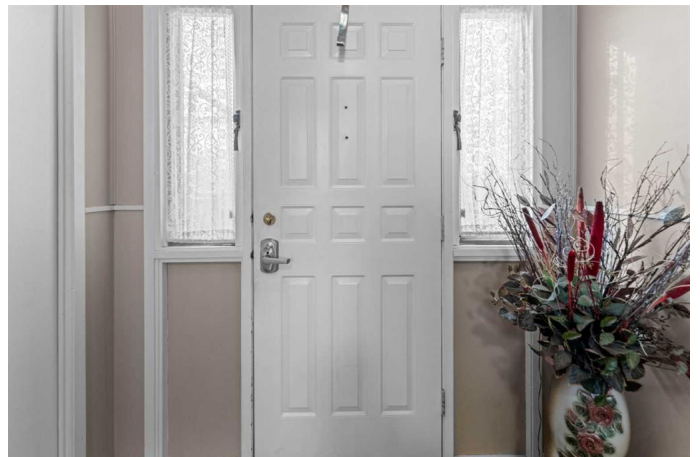

The home has great curb appeal and a beautiful glass-panel deck out front where you can enjoy the west-facing sun. Step inside and there's plenty of room to kick off your shoes in the entryway. Head upstairs and you'll find rich hardwood floors, bright LED lighting, and a sunny living room perfect for relaxing.

The dining area is cozy and features a two-sided wood-burning fireplace that also faces the living room. Just off the dining space, sliding patio doors take you out to a large rear deck—great for BBQs or catching sunrises.

The kitchen is bright and cheerful, with white shaker cabinets, matching white appliances, quartz countertops, and ceramic tile accents. There's even a handy back door and extra closet space.

Down the hall, there's a partial updated full bathroom, plus three bedrooms including a primary with a 2-piece ensuite. One of the bedrooms even has it's own access to the front deck.

Downstairs, big windows bring in loads of

natural light. Youâ€™ll find two separate family roomsâ€”one of them has a bar in the corner thatâ€™s perfect for entertaining. Thereâ€™s also a fourth bedroom, a 3-piece bathroom, and a laundry/utility room. The backyard is a great size, with a large deck, patio area, flower beds and a huge double garage (over 23â€™ wide!) with access from the paved back lane. Shingles installed 10 years ago, Kitchen was installed 4 years ago, some vinyl windows. Itâ€™s a fantastic family home in a super convenient locationâ€”close to schools, shopping, transit, and more.
