3 Bedroom, 2.00 Bathroom, 2,054 sqft

Residential on 0.13 Acres

NONE, Bellevue, Alberta

This property features three bedrooms, two full bathrooms, a double detached garage, and is move-in ready. The living room, with its vaulted ceiling, extends to the second level allowing ample natural light, and includes a wood stove for added warmth during the winter months. The large primary bedroom on the main floor has a four-piece ensuite (including a soaker jet tub!) with a second door leading to the hallway. Two additional bedrooms on the upper floor share another four-piece bathroom, with one of the bedrooms having patio doors that open to a deck offering stunning mountain views in every direction. If you don't need the extra bedroom, it would also make a great den.

All appliances have been replaced within the last year, and the refrigerator is brand new. The double detached garage, equipped with a wood stove, provides ample space for vehicles and recreational toys. The street behind the garage is scheduled for paving this summer which will really help keep your garage clean. In addition to off-street parking in front of the house, there is also a parking pad next to the garage for convenient access to the mudroom. The low-maintenance yard is ideal whether you just want to relax & take in the views, or you're excited to get out hiking, fishing, golfing, or skiing (the list of outdoor adventures goes on and on in the Crowsnest Pass!).
