Featuring an exceptional kitchen with quartz countertops and custom cabinetry plus high end black stainless appliances. The kitchen flows into the living room, making a statement with its grand vaulted ceiling, custom window looking onto the neighbourhood and jaw dropping custom stone fireplace. A sanctuary of a master bedroom to one end of the house complete with an amazing oversized jet tub, 4 piece ensuite and walk-in closet. Two more bedrooms and a 4 piece main floor bathroom to the opposite end complete the upper level. Downstairs the owners have hit a design home run.
