The main level is open concept from the brightly windowed living room to the white cabinetry of the kitchen with stainless steel appliances (yes, there's a dishwasher!) addition storage in a handy island. Access to a 1/2 bath and doors to your back yard. The upper level of this adorable home has 3 bedrooms, all of good size. The master bedroom has a walk-in closet. The 2nd bathroom is on this level...a 4 pc with tub. The basement of this home would be ideal for any extra bedrooms, a family room and a 3rd bathroom. For now, it is unfinished and offers the laundry team and additional storage. The seller has recently completed a home inspection for the buyers. There is nothing left here! Move in before summer!
