The thoughtful layout offers effortless main-level living, filled with natural light and surrounded by tranquil forest and Three Sisters views. The entry level is perfection â€” heated concrete floors, a rec room, bedroom, and bar, ideal for a guest suite, home gym, or media space. Upstairs, the kitchen is made for entertaining with custom two-tone cabinetry, quartz countertops, gas stove, and a massive island that flows into a sunny great room with vaulted ceilings and walk-out patio with stamped concrete and mountain views that stretch from the Three Sisters to the forest behind. Vaulted ceilings and expansive windows bring nature inside, while premium finishes like hardwood flooring, in-floor heating, and stainless steel appliances blend style with mountain practicality. Designed for todayâ€™s living, the home includes rough-ins for air conditioning, EV charger, and hot tub, plus a finished heated garage. From this elevated setting, enjoy the best of both worlds â€” steps to the Bow River, Main Street cafÃ©s, and world-class trails, or head up the

hill to the Nordic Centre. Unlike nearby new builds, GST has already been paid and the landscaping is picture perfect and complete.
