\$399,900

4 Bedroom, 3.00 Bathroom, 1,082 sqft

Residential on 0.12 Acres

Ironstone, Red Deer, Alberta

Located on a spacious corner lot in desirable Ironstone, this home offers strong potential for those ready to add a lot of value with little time and effort. The layout is open and welcoming with vaulted ceilings and an abundance of natural light. The kitchen features solid oak cabinetry, a pantry, and generous counter space that can easily be refreshed to create a modern focal point.

The primary ensuite was thoughtfully designed years ago by converting a bedroom into a relaxing space with a large soaker tub, separate shower and large walk in closet, a rarity in homes in this price range. Decorative alcoves throughout the home add character and warmth.

The basement includes a large family room with a corner fireplace, two bedrooms, and a full bathroom. Other features include roughed-in in-floor heating, and a water line for a fridge.

While the home has served as a rental for many years and shows some wear, it holds excellent potential in a great location. The corner lot provides ideal access and space for a future garage and additional parking. With some updating, this property could shine again and deliver strong long-term value with a premium location.
